

LA SPEZIA'S OYSTER FARM

AN EXCLUSIVE TOUR

This unique and exclusive boat excursion includes sailing around the Islands of Palmaria, Tino and Tinetto, and a visit to the oyster farms in La Spezia. An expert guide will illustrate how the cultivation works take place at sea. Later, an oyster-based aperitif with white wine from Cinque Terre and local focaccia will be served on board.

Departure from and arrival at Portovenere, morning or afternoon.

Duration of about 4 hours.

Available upon request from Monday to Saturday, starting from 600 Euro.

SPEZIA OYSTERS, A BIT OF HISTORY

Some say that the oysters have returned to the Gulf of Poets, but in reality, they had never left.

Officially, the modern farming of oysters began in the 1890s, when mussel-farming pioneers also decided to make efforts to breed oysters in the Bay of La Spezia.
