

TOUR OF THE POETS Between sea, art and poetry

Dive into the culture and marine environment of the Gulf of Poets aboard the Moby Dick, an old restored wooden fishing boat. Listen to the poems of famous writers and artists who participated in the cultural life of the Gulf of La Spezia over the centuries, accompanied by the guitar and recited in Italian, English and Ligurian dialect.

Place: Boat ride in the Gulf of Poets between Portovenere and Lerici

Duration: about 4 hours, available upon request from Tuesday to Sunday

An emotional tour with Filippo Lubrano and Manuel Picciolo, with whom poetry and music meet both great classics, such as Byron and Montale, and contemporary protagonists, such as Bertolani and the young local initiative "I Mitilanti".
